Here Is Where
All The *Fun* Begins...

Welcome To The *Neighborhood*

Looking for a **modern, all-inclusive 55+ community** where you can stay active, meet new friends, and not have to worry about maintaining a house? We think you'll fit right in at a **Prime Independent Living community**.

Prime properties offer active older adults their **dream retirement**: Stylish, pet-friendly apartments, fabulous on-site amenities, delicious home-cooked meals, and fun social activities — **all at a reasonable price**. We'll take care of practical chores so you can pursue your own adventures, whether that's trying a new recipe in your full kitchen, perfecting your golf game on our putting green, or attending a nearby festival with friends.

Words can't convey the feeling of stepping out onto your own private balcony or patio to watch the sun rise or the joy of living just steps away from your best friends with new opportunities to socialize every day. That is why we are excited to meet you in person. We want to get to know you, hear about your plans and show you all the ways **Prime can help you live your best life**.

There is so much more for us to talk about. **Give us a call** to schedule a tour, ask questions, or just learn more about our communities. **We'll show you the Prime difference**.

Services & Amenities

We know that you want to **do more, explore more, and live well**. That's why Prime communities focus on providing the services and amenities you want, alongside carefully designed floor plans and idyllic locales. Our team keeps daily life **maintenance-free**, taking care of the **cleaning, upkeep, and home-cooked meals**, which means you are freer than ever to spend your time doing the things **you love most**.

Meet the *Prime Independent Living* Team

Joel Locker
CEO

Ranked the #1 Homebuilder Analyst by Bloomberg in 2014, Joel has spent more than a decade building his name both on Wall Street and as a Senior Housing Analyst at FBN Securities. Since 2014, he has dedicated his time to creating an independent living model that is affordable for the middle class while still yielding the best ROI for investors.

Debra Haywood
President of Operations

Debra contributes more than 25 years of independent living, assisted living, and memory care experience to our team. From new construction to sales and consulting, she has worked with senior living communities in 16 states, including Georgia, Tennessee, the Carolinas, and Virginia. Her work on new construction projects brings innovation and forward-thinking concepts to the Prime Independent Living brand.

Brett Massey
President of Project Development

Brett has over 25 years in construction management and coordination for schools, hospitals, restaurants, and multifamily developments, delivering projects both on time and on budget. Since 2009, Brett has served as housing consultant and development coordinator on 13 senior housing communities in Virginia, as well as North and South Carolina.

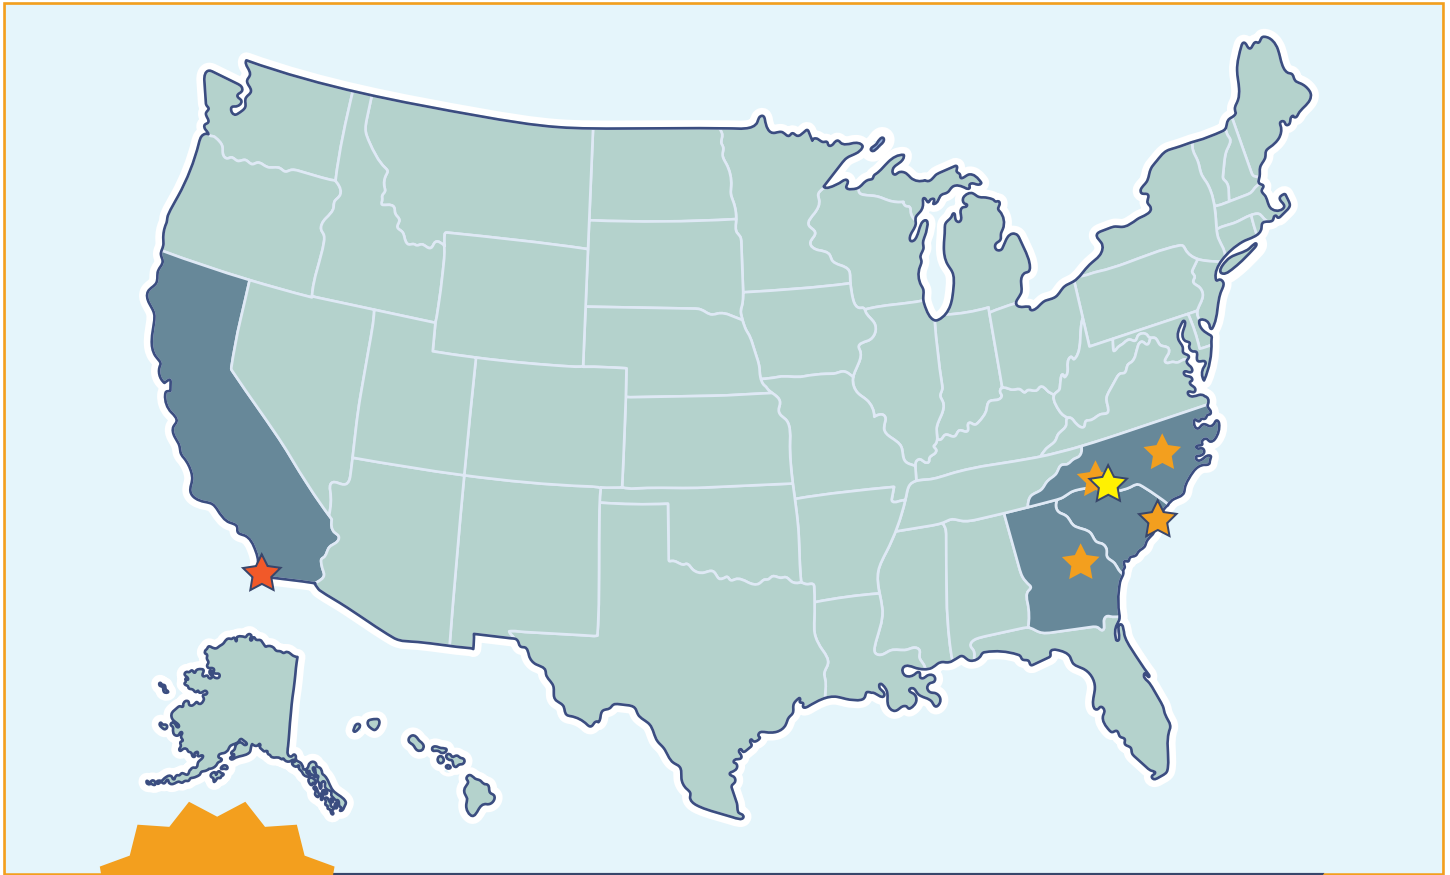

The Prime *Mission*
